### What is DEAR?

DEAR stands for Development Education and Awareness Raising and aims at:

- informing EU citizens about development issues
- mobilising greater public support for action against poverty
- providing citizens with tools to engage critically with global development issues
- foster new ideas and changing attitudes towards global challenges

The EU has dedicated a specific program to reach these objectives, the DEAR programme which supports actions and projects on DEAR, implemented by civil society actors and local authorities in EU and acceding countries. Promoting Development Education & Awareness Raising (DEAR)

## ABOUT LADDER

LADDER, a 3-year project co-funded by the EU, seeks to enhance the action of Local Authorities for Development Education and Raising Awareness in the EU & the European Neighborhood. **Local Authorities, in cooperation with Civil Society, have a considerable multiplier capacity and become drivers for change.**

The final beneficiaries of LADDER are ordinary citizens, enhancing their awareness on global issues (short term), promoting their engagement in global challenges & poverty eradication (mid term) & leading to a change of attitudes (long term).

In addition to all its activities of capacity building and awareness raising across the countries involved (both EU & non-EU), LADDER has also 6 thematic priorities and 3 geographical dimensions (in addition to the actions at EU level) in which local actors are set to work on, as follows: **Thematic Paths** and **Geographical Paths**.

Forty five stakeholders: 25 partners & 20 associates, coming from 18 EU and 17 non EU-countries are part of LADDER

### Three Geographical Paths:

- MED Mediterranean area,
- South Eastern Europe,
- Eastern Partnership

### Six Thematic Paths:

- Youth in development,
- Migration,
- Citizens' participation in development,
- Public-private cooperation in development,
- Environmental and sustainable development,
- European Year for Development & follow up

One major challenge: Development Education & Awareness Raising (DEAR)

36 months of work: The project started in January 2015 and will end in December 2017
